John Bentler, retired, lives in Iowa City, IA, Is a member of NARCOA, has a daughter who teaches in Raleigh public schools. He came by the railroad one Wednesday afternoon. Of course, we signed him up! He has riding with us several times.

Fred DeBuhr III , his father is Fred DeBuhr. He lives in Franklinton, NC. Works in tire dealership. This is one of the 4 pack family members who car host on the Sunday rides.

Vincent Ferreri, Retired from Amtrak - Signal Maintainer. He lives in Goldsboro. Rode the June Sunday ride with his family and and sent in his application the next week. Worked with us on June 27 helping Ted Dunn and Rob Bergmuller with the bridge signal.

Rich Opaluch, he is the shop foreman at Performance BMW, Chapel Hill and lives in Holly Springs. He did his first car host duties last Sunday in the heat! He joined us one Wednesday to assist with the speeder repairs. He has assisted the steam crew. Wants to learn all he can about railroading and own a speeder someday.

John Tredway, lives at Oak Island in the summer and Holly Springs other times. Retired salesman. Has been working with the Wednesday's Crew and car hosting since April. He has now

joined the Museum/Railroad marketing committee.

R Victor Varney, lives in Cary. He has worked in the High Tech industry. He has volunteered at TVRM, OSMR and several other operating tourist railroads. Plans to work with the steam crew.

Brandt Wilkus, student lives Garner. He loves steam engines!! He and his parents came to the April 28 Science Festival Train ride day. I met him standing next to #17. He was at Bonsal last Sunday working with the steam crew.
