All,

Due to the potential for serious flooding resulting from the tropical storm and the safety concerns surrounding this event, the Friday August 9th ride is being cancelled. A new substitute single ride is being scheduled for Friday August 23rd at 10:30am. Customers will be encouraged to come out and ride either the train on the 14th or the train on the 23rd. Look for a crew call by Kevin for the 23rd ride sometime next week. Be safe and thanks for all you do for the railroad.

John and Chris
